A black and white manga panel. In the background, the Statue of Liberty stands prominently, holding a torch aloft. The scene is filled with dramatic, dark, vertical streaks, suggesting a storm or intense action. In the foreground, two anime-style girls are depicted. The girl in the upper left is shown from the chest up, wearing a dark cape over a light-colored dress with a large bow. She has blonde hair and a surprised expression, with her hands near her face. The girl in the lower left is shown from the chest up, also with blonde hair, wearing a dark top with a large bow. She has a wide, excited smile. Three speech bubbles are present: one from the girl in the upper left, one from the girl in the lower left, and a large one from the Statue of Liberty.
